

## Homeless Prevention and Rapid Re-Housing Program

The passage of the American Recovery and Reinvestment Act (ARRA) of 2009 provided \$1.5 billion for communities throughout the United States to provide financial assistance and services to either prevent individuals and families from becoming homeless or help those who are experiencing homelessness to be quickly re-housed and stabilized. The Department of Housing and Urban Development administers these funds titled the Homeless Prevention and Rapid Re-Housing Program (HPRP). For applicants meeting HPRP eligibility requirements, services **may** include the following:
